15.Multidisciplinary / interdisciplinary
--

<ul style="list-style-type: none"> <li>The institute enables an individual to study one or more specialized areas of interest at a deep level, and also</li> </ul>
--

develop character, ethical and constitutional values, intellectual curiosity, scientific temperament, creativity, spirit of service.

- Institute helps students to think critically where students put aside their pre-existing notions, they position themselves to learn facts more readily and are more open to adopting a range of methodologies that promote understanding.
- The institute adopts a comprehensive teaching approach that transcends the boundaries of a discipline or curriculum to enhance the scope and depth of learning.
- Integrate conflicting insights from alternative disciplines.
- Identifying, and nurture the unique abilities of each student, sensitizing faculty to promote holistic development of each student in both academic and non-academic spheres.
- Institute objective to prepare students for more meaningful and fulfilling professional lives and roles and to foster economic independence. The multiplicity of courses at the college facilitates interaction among students from diverse disciplines thus helping them to develop multi-disciplinary approach.

#### 16.Academic bank of credits (ABC):

The College has registered for the Academic Bank of credits in Academic Year 2022-23.

University Grant Commission (UGC) New Delhi has issued instructions to the Savitribai Phule Pune University for the implementation of Academic Bank Credits.

It is requested to follow instructions given and make students mandatory to create ABC account. For aware about ABC facility and encourage students for opening Academic Bank account on ABC Portal.

College gave notice about how to open ABC ID on ABC portal and on that notice all procedure was written and that accordingly students implemented on ABC Id. College sent students ABC id information to Savitribai Phule Pune University.

#### 17.Skill development:

The Soft skills development programme is a programme for the overall development of students, creating skills necessary to

improve employability as well as entrepreneurial abilities of students.

The programme includes lectures; Industry academics interface programme, work-shops and demonstrations by experts, hands on training etc.

Thus, well known personalities from various fields are invited to share their experiences and successes. We also invite our alumni to guide the student in proper way.

This motivates students for their overall development. Therefore, every year the institute organizes seminars/workshops on soft skills development for the students of BSc(Computer Science), BBA (Computer Application), BBA, B.Com, MSc(Computer Science), MSc(Computer Application) and M.Com.

The Soft Skill Development Programme covers the following aspects: Personality Development/ Soft Skill Development Interview skills and techniques. Stress management. Meditation Goal setting and time Management. Leadership Development. Communication skills. Presentation skills. Computer Awareness. Creative Thinking. Physical fitness Yoga.

Students can use this training to understand the essentials of language skills. Understand different sound and speech, learn pronunciation, speak without errors, build conversations, understand non-verbal communication, formal and informal communication, correct etiquette for public speaking and business presentations, personality development and self-esteem building, team building and group discussions, facing different types of interviews with confidence and preparing for and delivering successful business presentations are areas with which students focus familiarize.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The curriculum and pedagogy of our institutions develop a deep sense of respect for fundamental duties and constitutional values, the link with one's country, and a conscious awareness of one's roles and responsibilities in a changing world.

The institute aims to develop good, thoughtful, well rounded, and creative individuals.

The institute promotes multilingualism and the power of language in teaching and learning; Life skills such as communication, cooperation, teamwork, and resilience are instilled in students.

Extensive use of technology in teaching and learning, removing language barriers and educational planning and management.

Respect for diversity and respect for the local context in all curriculum, pedagogies, and policies, always keeping in mind that education is a competing subject.

The institute instills in students a deeply rooted pride in being Indian, not only in thought, but also in spirit, intellect and deeds, as well as to develop knowledge, skills, values and attitudes. Provisions that support a responsible commitment to human rights, sustainable development and life, and global well-being, thus reflecting a true global citizen.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

- Outcome-Based Education (OBE) is a student-centred teaching and learning methodology in which the course delivery and assessment are planned to achieve stated objectives and outcomes.
- Savitribai Phule Pune University prescribes the syllabus specifying POs and COs for the different programs.
- As such, each course faculty articulates on the learning outcomes and outcomes of the program, which makes the teaching- learning process more fruitful, as students are made aware of the relevance of the topic in their pursuit of knowledge.
- It focuses on measuring student performance, i.e. outcomes at different levels.
- The OBE model measures the progress of graduates according to three parameters, through: Program Outcomes (PO) Program Educational Outcomes (PEO) Course Outcomes (CO) : Create, select, and apply techniques.
- Mechanism of Dissemination of POs and COs: During the institute's orientation day, each disciplinary branch organizes its own orientation with new students; parents during which the students are clearly explained how the entire evaluation process works throughout their studies.
- Program Outcomes and Course Outcomes are prominently displayed on departmental notice boards as well as on institutional notice boards.
- Program outcomes and learning outcomes are also hosted on

the institute website.

## 20.Distance education/online education:

Students and Faculties are encouraged to attend and offer Excelr courses which promote blended teaching-learning.

The following ICT facilities are developed by the college as prerequisites of online education which are more useful in covid pandemic situation:

- College provides a Wi-Fi facility with 100 mbps bandwidth.
- All teachers share their own prepared notes on Google classroom.
- Teachers created academic videos, PowerPoint presentations and study materials in soft forms.
- Some teachers created institutional YouTube channel for promotion of online education.

4.3	101
Total number of computers on campus for academic purposes	
<b>Part B</b>	
<b>CURRICULAR ASPECTS</b>	
<b>1.1 - Curricular Planning and Implementation</b>	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	

- The college is affiliated to SAVITRIBAI PHULE PUNE UNIVERSITY, PUNE and is self-Financed.
- The college provides effective curriculum delivery and transaction on the curriculum provided by the parent University and this helps in the development of creative skills such as critical analysis, problem solving and evaluations.
- The college integrates cross-cutting issues such as Gender, Climate Change, Environmental Education, Human Rights, ICT and professional ethics into the curriculum.
- The Library provides services by adding textbooks, reference books, journals.
- The new books related to the topics in the curriculum are purchased periodically. The teachers are encouraged to attend workshops and orientation programs on curriculum design and restructuring.
- Internal assessments and model examinations are conducted and assignments are given.
- The college organizes study tours for BBA and Bcom students at important places relevant to their respective subjects.
- The college organizes special lectures, workshops and seminars on syllabi by inviting experts in the respective fields.
- Opportunities for students are provided for development of skills through Seminars, Group Discussions and Quiz debates.
- Teaching aids like Models, PPTs, Charts and digital White Boards are used in the classrooms for effective teaching.
- An Internet facility is provided to the students and staff in the Library for downloading study materials.
- The timetable committee prepares the classwise timetables and accordingly HOD's allocate departmental work.
- The feedback reports of the stakeholders are also preserved.

#### 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

College is affiliated to Savitribai Phule Pune University, Pune and follow the Examination pattern of the University. For each subject continuous Internal evaluation of students is carried out. Teachers decide the criteries for evaluation and convey the students these criteries in class as well as display them on the notice board. In CIE the teachers use 3 of the 7 criteria from the criterion listed below according to their respective subject.

1. Class Test
2. Seminars
3. Group Discussions
4. Open Book Test
5. Test Series
6. Oral Evaluation
7. Case Studies

Internal Exams are conducted per semester by the college. The Examination Cell of college frame guidelines for conducting the Continuous Internal Evaluation (CIE) and mention the dates in the academic calender. Scheduling of Internal Examination, Seating arrangements, invigilators for every examination is carried out by exam department. Setting the question papers, marking schemes for the internal examination is taken care of by respective teachers. Scrutiny of the prepared question papers are carried out by HODs/ Subject experts to ensure quality of the Question papers. After completion of the internal examination, the faculty members evaluate the answer sheets. The evaluated answer sheets are then shown to the students for transparency and for improvement. Result Analysis is carried out within 2 weeks from the examination. For

internal marks of practical courses, the parameters of attendance, practical file, performance and viva-voce are considered.

## 1.3 - Curriculum Enrichment

### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Our Institution offers an Outcome-Based Curriculum in which various courses are offered to address the cross-cutting issues relevant to Gender, Environment and Sustainability, Human Values and Professional Ethics.

The Ability Enhancement Compulsory Course (AECC) on Environmental Studies is a mandatory course for all Undergraduate programmes. This course aims to make the students understand the present environment status and to know their roles and responsibilities about environmental protection. It also focuses on the scientific dimensions of various environmental issues and also enhances knowledge on the values of natural resources, various aspects of environmental issues and their causes, effects and possible solutions to overcome environmental issues and to

safeguard the environment.

The objective of the course on General Awareness course is to inculcate human, social and ethical values among the students.

Besides the mandatory courses, the programmes offered by the Department of Business Administration incorporates Courses relevant to Professional ethics, Human values like Personality development, Business law, Company law, Taxation, Direct tax, Indirect tax including GST, Auditing and Business ethics.

The Department of Computer Studies offers Cyber security which deals with the safety and security issues relevant to the IT sector.

## 2.2 - Catering to Student Diversity

### 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college has a well-designed academic monitoring policy to track and evaluate the performance of the students on a regular basis. The students are classified as slow learners, average and advanced learners on the basis of diagnostic tests administered in the orientation period and on the basis of their performance in the class tests.

**Slow Learners:** Special Guidance and Remedial lectures are arranged. Special tutorials, guided self-study sessions, Question banks, extra reading material and extra practice assignments are provided to the slow learners.

College conducted a bridge course for all first year students to fill the gap between the syllabus.

**Program "Good to Great" For Advanced Learners:**

Advanced learners are identified on the basis of consistent performance in their college exams. The teachers interact with advanced learners and help them identify appropriate areas for higher studies as well as employment. This provides them with opportunity for research and exposure to industry, scientific research, publication and deciding their career choices. Students are encouraged to attend conferences, workshops, seminars, present posters, publish research papers and interact with the scientific community. Guidance is provided for competitive examinations. These efforts have resulted in students' performance at inter collegiate level by getting ranks.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To improve the teaching - learning process and make it more student centric, the college Management, Principal and the Faculty member share constantly striving to replace the practice of lecture method by methods like experiential learning, participative learning and problem solving methodologies.

The students are provided access to computers, internet, library, e-learning resources to evince their interest in self learning and referring to gain more knowledge, to find answers to the problems on the topics and become more inquisitive. This helps in a long way to make the students participative in the class. Also, presentations, group discussions and role plays are other participative methods employed.

Experiential learning is done through home assignments, projects, field work, study tours, internships, conducting and presenting papers in seminars, workshops and conferences. Organizing and participating in cultural programs, sports and extension activities also helps in experiential, participative and problem solving methodologies. Case study methods of teaching and discussions in the class, lectures from experienced and highly acclaimed personalities who share their knowledge and practical experiences in guest lectures, seminars, conferences and workshops and interacting with them are participative, experiential and problem solving methodologies employed by the faculty for enhancing learning experiences.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Due to the advancement of Information Technology and manufacture of user-friendly computers, laptops, and LCD's, as in other sectors to the field of education, today use of ICT has become common and also a necessity for teaching-learning process. In our college also, it is a common practice to bring about innovation and creativity in the teaching-learning process by use of ICT tools like LCD's, laptops for powerpoint presentations and lectures and scilab software for mathematical visualization thereby making the lectures more interesting and interactive. This method has replaced the traditional chalk and board method. Also the innovative teaching learning methods adopted are - presentations of students, group discussions, role plays, case studies - discussion and presentation, paper presentation in conferences and seminars, debates and quizzes. Creativity is learning that is developed through problem solving during industrial tours, writing in magazines, newsletters, developing software programs, developing business ideas, organizing cultural, sports, scientific and extension activities. The college fosters creativity and innovativeness in students, motivates them for betterment and makes available the resources and opportunities to do so. The students are encouraged to do brainstorming for new ideas and are guided to bring into effect the new ideas.

The dates of the tests, tutorials, presentations and mid-semesters exams are announced in advance and the syllabus is declared for the exams. The pattern of the paper for the mid-semester exam is based on the pattern of the University papers. The internal exams are conducted with strict invigilation and students have to write the answers on answer sheets provided by the college. The evaluation of the answer sheets as well as evaluation of the tests, assignments, and tutorials is very transparent. There is no bias in the evaluation. The students are shown their marks to assure them of the evaluation done. The final internal marks are checked by the HOD and if necessary by the Principal. The grievances regarding the marks are settled by a committee comprising the Principal, HOD, subject teacher and the CEO.

File Description	Documents

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

There is complete transparency in the internal assessment. The criteria adopted are as directed by the university.

- The internal assessment test schedules are prepared as per

the university and communicated to the students well in advance.

- The marks obtained by the students in internal assessment tests are displayed on the department notice board.
- The marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal, along with their attendance.

Redressal of grievances at the institute level:

College Level:

The CIE of students is carried out by faculty regarding theory lectures, labs, assignments, and unit tests. The midterm marks are allotted based on defined strategies and displayed on the notice board. Query if any is discussed with faculty and HOD.

Redressal of grievances at the university level:

The queries related to results, corrections in mark sheets, other certificates issued by the university, Students are allowed to apply for revaluation, recounting, and challenge evaluation by paying the necessary processing fee to the university if they are not satisfied with the university evaluation through college.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college has stated graduate attributes and learning objectives. To attain these attributes Programme outcomes (POs), Programme specific outcomes (PSOs) for all academic programmes are stated by the Institute as per guidelines of NAAC.

The Course Outcomes (CO) are designed through curriculum mapping by identifying which courses, portions of courses, or series of

courses fulfill each PO and are in correlation with other courses and POs.

While designing COs, knowledge domains i.e. cognitive domain, affective domain and psychomotor skills were considered.

While designing PO, PSO and CO, workshops and guest lectures were arranged for teachers by IQAC. Group discussions were arranged among teachers.

For each programme, PO/PSO and CO are designed through the following process steps:

- Head of department (HOD) consulted faculty and prepared the draft version of the PSO and POs with the help of teachers, which are in line with Graduate Attributes and Vision, Mission of the Institute and department.
- Views of alumni and employers are taken by the head and teachers.
- HOD and department faculty analyzed and expressed their opinion on the revised PSOs and POs.
- The process was continuously monitored by the Outcome Based Education Committee and finally was approved by IQAC.

File Description	Documents
Upload any additional information	No File Uploaded
Paste link for Additional information	Nil
Upload COs for all Programmes (exemplars from Glossary)	<a href="#">View File</a>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Outcome-Based Education committee (OBEC) formulates guidelines concerning direct and indirect assessment tools to evaluate attainment of POs and COs by collaborating with course instructors. Assessment of attainment of COs is done at the end of a course. CO assessment for every course is done at individual students as well as class level to identify attainment by

students.

Direct assessment tools are: Unit Tests, Tutorials, Quiz, Assignments, seminars and university exams in theory courses. For Laboratory courses, the tools used are attendance, involvement, understanding, oral, journal writing and timely submission, team work. Indirect assessment tools are through google forms for Course End Survey for each course and Program End Survey for each programme.

Every unit-test question, quiz and laboratory performance and project is mapped to the respective COs. Assignments and unit-test questions are designed well formatted. Data for assessment is collected for each CO in a particular format.

CO-PO Attainment Method: The digital course file is maintained for each course which includes following data:

- Syllabus and COs of the course
- Mapping of COs to POs and PSOs with correlation factor
- Marks entry of direct assessment tools, with CO mapping.
- Course-end survey.
- Laboratory/ Seminar & Projects Assessment sheets

### 3.2 - Innovation Ecosystem

#### 3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

For the benefit of its employees and students, the institute has created a vibrant ecosystem devoted to research and innovation. Understanding that its employees and students are its most valuable resources, the institute works hard to provide and preserve the best possible environment for these kinds of activities. The conviction that staff and student development is critical to the institute's overall development and growth serves as a further testament to this dedication.

**Library Resources:** The institute's library, equipped with state-of-the-art software, provides access to a vast array of national and international journals, books, and magazines.

**Faculty Development Initiatives:** Staff members are encouraged to participate in and organize Faculty Development Programs (FDPs) on various topics, with financial support provided by the institute.

**Wi-Fi Connectivity:** High-speed internet access is available to all students and staff around the clock.

**Advanced Laboratory Facilities:** The institute boasts well-equipped computer labs furnished with the latest hardware and software, alongside provisions for printers, fax machines, and photocopying.

**MoU's with Industries** - The institute is running various MoU's with companies which take sessions on a variety of things. The activities conducted under MoU's are provided free of cost to the students and the staff with certificates.

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

**The college hosts a range of extracurricular events that benefit society overall and raise awareness among the student body. The students at our college get a lot from these events. They**

willingly labour for such activities because it helps in their overall personality development and make them responsible citizens of country. The college also started a number of initiatives pertaining to green spaces, yoga, sanitization, women centric events, environmental awareness like restricting the use of plastic, saving petrol and other natural resources and other similar things. The college's National Service Scheme (NSS) is likewise striving for further initiatives along these lines.

The NSS unit organizes a residential seven-day camp in nearby adopted villages and several activities are carried out by NSS volunteers addressing social issues which include programs for women empowerment, Health and Hygiene, Environmental awareness programs like cleanliness, tree plantation. Blood Donation activity, awareness programs on hygiene, Drama and street plays on various issues, Health check-up camps etc.

The several departments are conscious of their responsibilities to educate students about social concerns through a range of programs in order to help them become responsible citizens of the country, in addition to NSS. The students took part and are greatly benefitted from all of these activities, which also helped them develop their sense of responsibility towards nation,society and also help them to develop leadership skills.

### INFRASTRUCTURE AND LEARNING RESOURCES

#### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The college has adequate infrastructure facilities and resources for teaching learning activities. Renovation of infrastructural facilities is done as and when required. The college has a campus

area of 0.5 acre with adequate number of classrooms, ICT enabled Classrooms, Computer Labs, library, administrative office, conference hall, well - furnished seminar (Multipurpose) hall, ladies common room, Yoga center, wash rooms on each floor, The complete college campus is supported with Wi-Fi.

Classrooms: 11 ICT enabled classrooms,

04 classrooms with wifi /Internet Connectivity

One Multipurpose hall,

one conference room with ICT enabled facilities

Computer labs: 2 (70 computers)

Servers: 02

Library: The library has been automated by the AutoLib Software. The well maintained college library is enriched with reference and text books and it contains:

5179 text books,

329 reference books,

18 - National and International Journals

77 CD,

553 Specimen copy of text books and 153 other books.

File Description	Documents

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

College has provided sufficient infrastructure for sports, indoor games, and cultural activities.

The college provides kits, coaches, traveling and dearness

allowance to the participating students.

The college has a 2304 sq ft. playground where we prepare a playground for kho-kho, volleyball, Kabbadi and Badminton as per the requirement.

The College hires a playground for other activities like cricket, football, basketball and handball from nearby institutions.

Indoor events like chess, carom, yoga and table tennis are organized in the college itself.

International Yoga day is celebrated on 21st June. Students, teaching and non-teaching staff reap the benefit of Yoga.

The College has a Multipurpose hall of 2160 sq ft . Induction programs, fresher's parties, traditional days, farewell functions, youth festivals and annual social gatherings are organized in the Multipurpose Hall which accommodates spacious stages and audio visual systems.

The general functions are conducted in the open space of the college and particular functions are organized in the multipurpose hall.

#### 4.2 - Library as a Learning Resource

##### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The well maintained college library is enriched with reference and test books. The library has been automated by the AutoLib software .This software consists of various modules on acquisition, catalog, circulation, serial control and bulk SMS facilities. Online Public Access Catalog (OPAC) facility is made available through Library Management Software to know the bibliographical details about the collections. Four computers are made available in the library for the OPAC facility. It is a Web OPAC user from any location can search the library collection by giving Titles, Authors, and domain. This software enables the librarian to issue, renew books and maintain the database of books, journals, periodicals, data of students and faculty who utilize the library resources. The college has a central Library and three departmental libraries. The reading room is well furnished to

accommodate 50 (25 Boys and 25 Girls) students at a time and provides a conducive environment for study.

A log book is maintained for students and faculty. They are also required to sign and note the time of entry and exit. CCTV cameras are installed in the library for strict surveillance.

Facilities available: 4 Computers, 1 Printers , 1 Barcode Printer, 1 Barcode Scanner , 1 Reprographic Machine , Internet Bandwidth:100 Mbps.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

Students are an important part of the institution's development. The most important necessity for the institute's prosperity and well-being is to make use of the students' support and ideas.

Jaikranti College attempts to foster a sense of pride in the students for their own institute by establishing a relationship of mutual respect.

- **Functions of Academic Council:** The Student Academic Council (represented by 5-6 students) receives feedback from departments on teaching-learning processes such as teaching, course content, study materials, and practical sessions in order to improve quality.
- **Student's Welfare & Alumni:** To solve the students' grievances, the Dean (Students' Welfare & Alumni) addresses issues such as classroom, infrastructure, library, food, water, hygiene, and so on. He is referring to the administrative authorities in order to improve the quality of life for students at the Institute.
- **Social and Cultural Council:** Promotes and supports student participation in college sports, social initiatives, community outreach programmes, and recreational activities, such as Annual Sports, Cultural Fest, Freshers' Welcome, Farewell, and others, in collaboration with faculty mentors..
- **NSS:** NSS is organized by the Institute to educate students about societal issues and community service, with the most of the activities being carried out by students.

#### 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The 'Alumni Association of Jaikranti College of Computer Science and Management Studies works with Jaikranti College and provides dedicated support in all activities.

It has contributed significantly through non-financial means during the last five years:-

1. Short Courses on Soft Skills, Spoken English, Personality Development and skills to face Interviews, Resume Writing, Elementary Computer Courses, TALLY ,ERP .
2. Special coaching for NET, GATE and civil services examinations.
3. Unique mentorship program by assigning expert alumni to guide the final year students in their projects in distance mode.
4. Campus development.
5. Active members of various academic and administrative bodies of the Institute.
6. Deliver invited talks, guest lectures and seminars.
7. Provide counseling to students for employment.
8. Act as judges in cultural and sports competitions.

### GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision and mission of the institution as formulated by the Management are as follows.

**Mission** - Introduction of Information and Communication Technology (ICT) based Teaching and Scientific evaluation methods and introduction of new teaching methods other than classroom teaching to make all students and faculty members' regular and habitual users of ICT.

**Vision** -The vision of BSPM's Jaikranti College of Computer Science and Management Studies is to make quality higher education accessible to the marginalized sections of students and to refine their skills by imbibing value based culture and contribute to holistic development of the students and make the college a center of excellence in higher learning. The vision and mission sets the directions for teaching- learning and evaluation and administrative activities. The management comprising the Trustees take all major decisions in the Governing body which is the highest body regarding fulfillment of the stated vision and mission of the college. It also takes decisions periodically regarding various aspects of functioning of the college, augmentation of infrastructure, appointment of Principal, Faculty and staff. It gives permission to introduce new programs in the college and also makes the necessary provisions for the same. It takes decisions on

employees related matters like welfare schemes, promotions, training and incentives.

File Description	Documents
Paste link for additional information	Nil

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The college develops plans to comply with the broad guidelines

issued by the affiliated university, University Grants Commission and the government from time to time for the successful conduct of academic programs. The college development committee is the supreme planning body of the college which discusses and develops the college plans to match the objectives of the university, UGC and government.

For this the college has developed a perspective plan the salient features of which are as follows

To strengthen infrastructural facilities and amenities.

To procure both books, journals and periodicals for library.

To enhance ICT facilities.

To make available post matric scholarships to SC/ST students.

To avail college scholarship to deserving students.

To introduce more certificate courses under autonomy.

To introduce new programs / courses.

To motivate the faculty to participate in orientation courses, refresher courses, faculty development programs, seminars, conferences and to undertake minor and major research projects from affiliated university.

To organize sports events, cultural events and extension activities frequently in the college.

To organize State, National and International level seminars and conferences and obtain funds from the funding agencies, quality initiative programs through the IQAC Cell

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

**Planning and Development:** - College has complete office automation that include students' database, faculty and staff database, feedback system and library management system.

**Administration:-** Notices and circulars are uploaded in the college website and communicated to different departments through email from the office of the Principal. College has developed online and real time data collection mechanism from all departments and faculty on GSuite. Each and every IQAC notice is circulated by the coordinator himself through email.

**Finance and Accounts:** - Finance and account process is fully automated with the help of tally software and customized ERP. Payroll system of teaching and nonteaching staff is automated and salary is transferred directly to the bank account of employees.

**Students' Admission and Support:-** Admission procedure is completely online. Notices to students are circulated through email and SMS. Scholarship amount received from various funding agencies is transferred to the bank account of students.

**Examination:-** Examination system of First Year UG programs is fully automated by college that includes internal and external marks entries, mark sheets, result preparation and analysis. Examination system of all other classes of UG and PG programs is automated by the University.

## 6.3 - Faculty Empowerment Strategies

### 6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

There are number of welfare measures taken by the Institution for the teaching and non-teaching staff,

- Provident fund (EPFO) scheme is applicable for teaching and non-teaching staff members.
- The management contributes towards this scheme.
- Training program for teaching and non-teaching staff.
- Uniform provided for teaching and non-teaching staff.
- If required financial assistance is given to the employees in advance.

Rectitude and genuineness in work of the staff members is encouraged by the management by felicitating the praiseworthy staff members in the annual day function. Dedicated work of

employees over the academics year in various fields is noted and honoured by the management to encourage work culture in college.

Further, staff members are felicitated in a function for sincere discharge of their duties in the college, clearing SET/NET, paper presentations at conferences, publishing books and obtaining M.Phil or Ph.D degree.

#### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college follows the Performance Based Assessment System (PBAS) of UGC as prescribed in its regulation in June 2009 as per Savitribai Phule Pune University has developed.

The college IQAC addresses all the issues related to appraisal of the staff and regularly evaluates it and then forwards it to the university authority for the final validations of API scores.

Appraisal for teaching staff is carried out every year by analysis of self-appraisal form filled by the staff. The staff members have to submit the following information to the IQAC of the college.

Subjects taught, practical conducted, teaching pedagogy, use of ICT, lectures plan, analysis of results of subjects taught, research papers presented in national and international conferences, awards/recognitions received, examination related work done, enhancement of qualifications, number of committees in which nominated and contributed, discipline, additional duties undertaken, administrative responsibilities undertaken, co-curriculum, extension and professional development related activities performed and NAAC work carried out.

The non-teaching staff is appraised based on their work done throughout the year and responsibilities fulfilled like administration, examination, accounts, regulatory bodies related work, dealings with students and solving students' problems. They are appraised on a continuous basis by direct observation and reviews of their work.

#### 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college conducts internal and external financial audits regularly as described below.

**Internal Audit:** The College has constituted 3 member committee for internal audit consisting of 2 teaching and 1 accounts officer. Internal audit takes place once in 6 months.

**External Audit:** At the end of every financial year, the income and expenditure Account and balance sheet are prepared. The accounts

are checked regularly by the principal. Ledgers and Stocks registers have also been maintained and audited by the internal auditor appointed by the college. The external audit is done by C.A. R. R. Tapadia, Latur. He submits audit reports and audited financial statements to the college. Necessary compliance is done by the college from time to time.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

In the institutes, adequate funds are allocated for effective teaching-learning practices that include induction and orientation programs, workshops, inter-disciplinary activities, training programs, Faculty Development Programs, Conferences, Industry Academia interactions that ensure quality education.

Budget of the Institute is prepared keeping in mind developmental criteria of the Institute, Strict control is exercised on utilization of resources in the institute.

Management is responsible for approval of budget, annual financial statement, high value purchases etc.

On the basis of student intake, faculty requirements, Lab/library/material and infrastructural needs, the details of funds requirement are examined and a Resource Mobilization Plan is prepared.

Feasibility studies are done before start of new programs and institutions lay emphasis on the quality of Education, before venturing into new programs.

The infrastructure is being utilized in multiple shifts for ensuring optimal resource utilization. The institute has been able to start several new programs and enhance the number of students in the existing programs very rapidly.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

- The IQAC Cell of the college works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure, and offering suggestions for the new self-finance courses.
- IQAC is an effective and efficient internal coordinating and monitoring mechanism.
- The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality enhancement measures to be adopted.
- The IQAC strives to spread quality culture through quality enhancement initiatives and best practices.
- IQAC ensures quality assurance strategies through different activities.
- Various committees have been formed to work in coordination with IQAC. Through such committees IQAC ensures smooth and efficient

implementation of action plans and procedures.

- IQAC continuously monitors the execution of work and provides suggestions for improvement.

Significant contributions made by IQAC during the current year:

- Strategic planning of key areas and assigning responsibilities -
- Academic results
- Value Added courses
- Faculty development programs
- Field visits
- Interaction with industry.
- 360 Degree assessment: Assessment is the key to learning and is the impetus to learning. In order to achieve all-round development of students 360-degree Assessment pattern is implemented at Jaikranti College with focus on the following:
  - Memorizing
  - Understanding
  - Analysis
  - Synthesis
  - Evaluation
  - Applications
  - Design
  - knowledge creation

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

- The Institute implements the syllabi formulated by the parent university.
- IQAC continuously reviews and monitors teaching learning process and methodologies throughout the year.
- IQAC focuses on effective implementation of Outcome Based Education (OBE) for all the programs. As per the guidance of IQAC the institute has been practicing different teaching learning practices like Experiential Learning, Participative Learning, Problem Solving Methodologies etc.
- IQAC has set well defined policy and process to define set attainment levels for COs and POs.
- Institute encourages students to attempt new things and learn from their errors through a participatory learning culture.
- Various MoU's have been signed with different industries for skill enhancement.
- The IQAC has recommended use of ICT and student centric methodologies. The IQAC evaluates the outcomes of these processes of teaching learning periodically.
- The outcome of IQAC initiated processes is reflected in students' performance in the university exams, enrolment for higher studies etc.
- At the end of academic year IQAC conducts the academic audit, reviews as well as records the attainment levels and suggests various activities for incremental improvement.
- Feedback is also taken periodically for academic improvement from students as well as alumni.
- Various certification courses, Seminars and Guest Lectures are arranged by IQAC in current year.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

**Jaikranti College of Computer Science & Management Studies is dedicated to cultivating a secure and supportive atmosphere, with a specific emphasis on safeguarding the well-being of women.**

**Safety Measures:** The college has instituted concrete steps to ensure the safety and protection of all students. This includes the provision of dedicated facilities such as women's rooms and separate washrooms to uphold privacy and comfort. Additionally, the campus is fortified with security measures like perimeter walls and CCTV surveillance, fostering a safe environment for students to engage in various activities.

**Ragging Policy:** The institution maintains a strict zero-tolerance stance against ragging, recognizing it as a threat to the welfare of new students. Through the establishment of an Anti-Ragging Cell and a Grievance and Redressal Cell, the college promptly addresses any instances of ragging and imposes appropriate sanctions on perpetrators. This commitment cultivates a culture of support and mutual respect among students.

**Women Empowerment Initiatives:** Jaikranti College places a premium on empowering women through diverse initiatives. Guest lectures centered on women's health, and empowerment serve as inspirational platforms for female students, empowering them to pursue their aspirations with confidence. These initiatives not only raise awareness about pertinent issues but also foster gender equality within the college community.

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

### Solid Waste Management:

The institute generates various solid wastes, including white paper, card sheets, rubber, plastics, and cardboard materials. Dustbins are strategically placed on different floors for waste collection. Separated waste is gathered and collected by the Pune municipal corporation's garbage van, while items like old newspapers and outdated brochures are sold to scrap vendors.

### Liquid Waste Management:

Liquid and semisolid waste primarily originate from the cafeteria and staff pantry. These wastes are responsibly disposed of through the corporation's garbage collecting van and the city's sewerage system, which comprises an extensive network of underground pipes managed by the Pune Municipal Corporation. By ensuring proper disposal of liquid waste, the institute minimizes environmental contamination and supports the city's sanitation efforts.

### E-Waste Management:

The institute handles electronic waste, including batteries, UPS systems, and discarded input devices like mouse devices, keyboards, and printers. E-waste is managed through a two-pronged approach: repair and donation. Repairable e-waste items are refurbished and reused within the institute whenever possible. Unrepairable e-waste is donated to the Pune Municipal Corporation Centre's e-waste collection facility. This practice not only promotes the reuse of electronic devices but also supports the community by contributing to their e-waste recycling initiatives.

**7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).**

**Jaikranti College Of Computer Science & Management Studies has undertaken various initiatives to foster an atmosphere conducive to ethical, cultural, and spiritual values among both students and staff.**

To nurture emotional and religious sentiments within the college community, a variety of events and festivals are organized on campus, supported by the management. These occasions serve not only for leisure and entertainment but also to cultivate a sense of unity and social cohesion.

The institution upholds the principle of equality among all cultures and traditions, as evidenced by the inclusive enrollment of students from diverse backgrounds, irrespective of caste, religion, or region.

Students and staff collectively participate in the celebration of cultural, regional, and linguistic festivals, including New Year's Day, Teacher's Day, Women's Day, Yaga Day, orientation and farewell programs, Induction Program, Marathi Bhasha Divas, Shiv Jayanti, Gandhi Jayanti, Republic Day, and Independence Day, as well as festivities like Dandiya Celebration and Ganesha Festival.

Furthermore, motivational lectures by distinguished individuals are organized to promote the holistic development of students.

In compliance with government reservation policies, the college ensures the admission of students from reserved categories, thereby advancing equal educational opportunities.

Through these endeavors, the institute endeavors to create an inclusive environment characterized by tolerance and harmony, accommodating cultural, regional, linguistic, communal, socioeconomic, and other diversities.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Jaikranti College of Computer Science & Management Studies is pivotal in educating its students and employees about their constitutional duties, rights, and values, particularly within India's diverse and democratic landscape. Through a range of activities, the college fosters an understanding of responsible

citizenship as outlined in the Constitution of India.

Each academic year commences with an Induction Program, designed to familiarize both staff and students with their rights and obligations. These sessions emphasize ethical conduct and responsible behavior expected from all members of the college community.

The college hosts seminars focused on the Constitution of India, offering attendees a comprehensive grasp of its fundamental values, principles, and clauses. These discussions cover crucial topics including fundamental rights, directive principles, citizens' duties, and the essential role of institutions in upholding constitutional ideals.

Moreover, the college actively celebrates cultural and traditional events, creating an inclusive atmosphere that appreciates diverse customs, languages, cuisines, and performances. These events serve as platforms for learning about and respecting India's rich cultural heritage and identity.

The college celebrates Independence Day, Republic Day, Gandhi Jayanti, and Constitution Day, instilling values like unity, harmony, peace, democracy, and the significance of freedom among its members.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Jaikranti College of Computer Science & Management Studies actively engages in commemorating various national and international events and festivals, serving as significant platforms for cultural exchange, awareness promotion, and community building among students, faculty, and staff.

National observances such as Republic Day, Independence Day, and Mahatma Gandhi Jayanti are marked by flag ceremonies, cultural performances, and discussions. International Women's Day and Yoga Day are acknowledged through workshops and activities aimed at fostering health and gender equality awareness. The college also pays homage to social reformers like Savitribai and Mahatma Phule through seminars and awareness initiatives.

Cultural festivities, including Shivaji Maharaj Jayanti, Diwali, and Ganesh Chaturthi, are celebrated with zeal, featuring traditional rituals, performances, and communal gatherings. Teachers Day is dedicated to honoring faculty members with sincere tributes and cultural events. National Youth Day, honoring Swami Vivekananda's birth anniversary, inspires students through motivational speeches.

These celebrations cultivate a sense of inclusivity and appreciation for diverse cultures while promoting core values such as unity, education, and social responsibility. Jaikranti College's dedication to these events enhances the collegiate experience, fostering a welcoming and inclusive atmosphere for all members.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice 1

**Title:** Jaikranti EWS Scholarship

**Objectives:** Provide financial aid to economically disadvantaged students, ensuring access to education, promoting inclusivity, and enhancing the overall learning experience.

**Context:** Jaikranti College addresses economic barriers by implementing a scholarship program to support economically backward students, aligning with its commitment to inclusivity.

**Practice:** Identify eligible students, streamline the application process, conduct thorough review, grant fee concessions, maintain regular communication, and monitor impact on academic performance.

**Success:** Increased enrollment, improved retention, positive feedback from recipients, and enhanced institutional reputation.

**Challenges:** Identifying students, efficient process management, sustainable funding, dedicated staff, and communication channels.

### Best Practice 2

**Title:** Taping Alternative Sources of Energy (Solar Energy) & Conservation of Energy

**Objectives:** Sustainability, Cost Savings, Community Engagement, Resilience, Long-Term Goals, Reputation.

**Context:** Urgency to shift to renewable energy. We're moving towards renewable energy to protect our planet and educate students about sustainability.

**Practice:** Switching to solar energy reduces pollution and saves money. We're also using LED lights to cut electricity use.

**Success:** Cost savings, integrated curriculum, reduced electricity bills, increased use of renewable energy, mitigation of global warming.

**Challenges:** Initial investment, land acquisition, labor availability, installation/maintenance costs.

**Resources:** Financial, solar experts, skilled labor, suitable land.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

In response to the evolving needs of the industry, Jaikranti college of Computer Science & Management Studies has adopted a comprehensive approach aimed at nurturing well-rounded graduates capable of tackling complex challenges in today's interdisciplinary and globalized landscape.

**Intellectual Development:**

**MOCK Interviews, Training Sessions, and Motivational Talks:** We organize regular sessions throughout the academic year to simulate real-world interview scenarios, provide targeted training on essential skills, and offer motivational insights to inspire students towards their professional goals.

**Guest Lectures by Industry Experts:** Across different departments, we invite esteemed professionals to deliver guest lectures, sharing their expertise and knowledge on the latest technologies and industry practices, thereby broadening students' perspectives and keeping them abreast of industry trends.

#### Social Development:

**NSS Outreach Programs:** Our NSS unit spearheads a range of community-focused initiatives, including blood donation camps, cleanliness drives, and extended outreach programs such as week-long village visits near Pune, fostering a sense of social responsibility and community engagement among students.

#### Physical Development:

**Celebration of International Yoga Day:** Annually, we organize events to commemorate International Yoga Day, promoting physical well-being and mindfulness among students through yoga sessions and related activities.

#### 7.3.2 - Plan of action for the next academic year

Jaikranti College of Computer Science & Management Studies has the following action plan for Academic Year 2023-24.

- Promote collaborations with industries to offer students hands-on projects, internships, and job prospects, enriching their practical skills and employability.
- Develop mentorship programs where seasoned professionals guide students, offering valuable insights into career paths and industry trends.
- Embrace interdisciplinary learning by providing joint courses and projects across departments, fostering a comprehensive approach to education and problem-solving.
- Implement peer learning initiatives, enabling students to collaborate and share knowledge through study groups and

workshops.

- Introduce sustainability efforts like eco-friendly practices and green technology integration, raising awareness and promoting environmental responsibility among students and staff.
- Provide workshops on digital literacy and responsible technology use, educating students on cybersecurity and ethical considerations in the digital age.
- Establish a feedback system to continuously improve programs and services based on input from students, faculty, and staff.
- Cultivate a diverse and inclusive culture through events and exchanges celebrating various backgrounds and perspectives within the college community.
- Create a system for acknowledging excellence in teaching, research, leadership, and community service, inspiring continuous growth and achievement among faculty, staff, and students.
- Organize regular workshops and seminars conducted by industry experts to enhance students' soft skills, such as communication, teamwork, and problem-solving, which are essential for success in the workplace.
